Participation (UCI Artistic Cycling Regulation, Part 8, Article 8.6.004):

The eligibility of participation in the preliminaries of the UCI Artistic Cycling World Cup depends on the highest ranking of the National Federations in the respective discipline of competition at the recent UCI Indoor Cycling World Championships. The National Federations are entitled to register a maximum number of riders or teams for the UCI Artistic Cycling World Cup as follows:

Discipline	Ranking UCI Indoor Cycling World Championships		
	place 1 to 3	place 4 to 5	from place 6
	Maximum number of riders / teams for		
Single Women	3	2	1
Single Men	3	2	1
Pair Women	3	2	1
Pair Open	3	2	1
ACT4	2	1	1

If the maximum entries are not fully used by the eligible National Federations, other National Federations that have no or only one entry may register for the available entries. In this case a National Federation may only get a maximum of 2 entries per discipline. The application for additional entries is made by the registration for the respective preliminary round.

The allocation of the free entries is as follows:

- 1) National Federations which do not have a regular entry in the corresponding discipline will be considered with one entry first.
- 2) Then all National Federations with one regular entry will receive one additional entry.
- 3) Then National Federations from 1) can get a second entry.
- 4) If there are more registrations than there are free entries available, the date of receipt of the registration is decisive.

If you want to register additional entries for your athletes, please send an e-mail to: support@indoorcyclingworldwide.com and fill in the data of these riders in the registration form.
